

## **SWOB RESCHEDULING POLICY**

***Southwestern Ohio Basketball has adopted the following reschedule policy for the winter league:***

- 1) If you have a conflict with one of your games you need to see if you can work it out on the other end. If not, then you need to contact the gym coordinator and the opposing coach to try to see if it can be rescheduled. If you need the other coach's number, and the gym coordinator doesn't have it contact Joe Steele (404-8206), Tom Sunderman (235-9007) or Mike Buckle (253-6910).
- 2) Try to exchange games with someone, then contact us via phone or email tom\_sunderman@yahoo.com. We have teams that play in various leagues, so it is almost impossible for us to juggle schedules around every league out there. If you are team A and you play team B, and team C plays them on another date, see if C can play in your spot, and then play B in his spot.
- 3) Get another team to play the game for you, then you will forfeit the game but not the \$50 deposit.
- 4) Cancel the game, forfeit your \$50 deposit, and then we will attempt to reschedule the game. We will do this only if we have time available, you contacted the other coach and you notified the league office. If not you will forfeit the game and the \$50 no show fee.

SWOB requests to be notified of any changes in the schedules for their records.

SWOB can only guarantee that you will be scheduled for ten (10) games per session. We cannot guarantee that your team will play all 10 of your games, but we sure hope you do. A request may be put in to make up a game that was not played but it is up to the discretion of SWOB whether there is room to play the game. SWOB will reschedule games that are not played due to errors on our part. We again want teams to play, we don't want forfeits so please try to work together for the kids.
